第11話

Rucetta.
SFX: sssshhhhaaa
What is the current situation
At this pace, it'll be about a half an hour until we reach camp...
Should we take a break?
No, it's fine.

It's really pouring
Your horse is getting cold
We'd better return quickly
Klan also seems to have it pretty bad
No
With me
There's nothing
SFX. shake
What is it?
Why all of a sudden
SFX. tremble tremble

...In a place like this?
I don't know
But there is something here.
Is it...
An ambush?
ァァァァァ
There
Inside those bushes
Please get behind me, Your Majesty
Who is it?

I know that you're in there
Show yourself
KCHINK
..He drew his sword
Is it only one person?
—If you won't come out—
Then I'll come to you.

...?!
...A CHILD?!
Why is there a child in a place like this
Your Majesty It's danger-ous!

He's giving Rucetta a hard time...
That child is very strong
Who is he?
.....

Hm?
Why is that...?
...?
That child...
No matter what direction he attacks in he always returns to that stance
Ah
I also noticed that
Perhaps there is something behind him
Something..
That he is protecting ?
What is it?
Hmm...
I don't know

Nevertheless... He is strong
As if he were more than human
Yes...
...You
You can hardly stand...
Where did you come from?
.....
Behind you...
What are you hiding?
.....
Are you deaf?

...In that case
I'LL FORCE YOU TO SHOW ME!

8 PEOPLE?!
8 PEOPLE DOWN!!
THAT'S AMAZ-ING!!
Just now, right there...
Eh? Where?
Isn't that the Black Knights Com-mander?
Hey
That is...

The Nero Torarudo doesn't come today right?
That's how it's supposed to be, but...
Guess it was my imagination then
That aside let's hurry up and get going.
The match will be over soon!
Got it.

.....
Blood.
I can smell it.
.....
Whoa... Your face looks absolutely terrible, you know?

Are the preparations for the fireworks all finished?
Jasmin!
Oh.
Yes, well mostly...
Ugh.
What's going on with THAT?
It's fine...
I'm okay
Are you alright?
Shall we return to the castle? Angel...
Ugh.
IT'S COMPLETELY REVOLTING TO WATCH!
WHAT DO YOU MEAN?!
What a weak—
It cripples him to this extent??
Huh?
Because those who were injured in the matches are nearby...
Blood?
The smell of blood makes him sick and such...
...So what's up with that?

Ugh
If I were to do that... I'll look even weaker
Kian was at least a bit better than this, Reguna
It's impossible to compare the two Your Majesty...
I'll send him off to the castle first then
See you later Jasmin <3
DON'T CALL ME JASMIN!!
So what's going on, Jasmin?
Ah.
That is...
Is His Majesty okay...
He seems normal...
Angel are you alright?
I'm sorry I didn't realize that the smell of blood would make this happen
My apologies it was my own carelessness
This really isn't something that you need to apologize for...

My father…
Was most likely calmer than this huh
He was prabably mare com-posed toa
I guess.
As an Oracle he was at that level, but…
Eh?
Never mind…
So was the match okay?
I was surprised because that waman was much stronger than I thaught possible
The match…
I was laaking forward to seeing your brather's match but…
Huh?
I guess there isn't any such match
It's too bad.
Ah…
…Speak-ing of which
Aha ha…

Did he come today...?
No.
That never happens...
He's probably stronger than Rita Rina
As I understand it, the difference is quite considerable
Well, I've had enough for today anyway
Because of the smell
.....
Is that so
If Angel gained anything from it, then that's good!
Yay!
....
Why are you so happy?
That's because the one who is responsible for "making Angel and everyone else become friends" is me!!
What That's...
In my case,
I want to resolve that situation.
That might be all he thinks about, but.
That fool..
...It's unexpected
Perhaps his sincerity is real.

DIE!
He's...
I thought that he was pretty suspicious, but...
I really can't tell if he's lying.
...Rather,
I'm probably too impatient with him
La La---
La---
Friends
Woohoo---
Friends
La---
Whi---stle
Happ---y
La la---
But he's so carefree!!
Whi---stle
...Hm?
Huh?
Weird
It's not noisy at all?
Is the match over?
No This is...
COMMANDER LANTE!!

TROU...
THERE'S TROU-BLE...!!
TOWARDS THE TOWN... ALL OF A SUDDEN...
THE NERO TORARUDO HAS...!!
RUN!!
TO THE CASTLE!
!!
RUN TOWARDS THE CASTLE!!
Com-mander!!
We've been waiting!
Is the match over?
Yes.
Good
What's the situa-tion right now?

About that... I also...
Anyhow he suddenly went berserk.
For the time being, all of the real weapons from the surrounding area have been removed.
Because all that remains are wooden swords and sticks, there have not been any casualties
We've instructed people to run towards the castle
Got it.
Thanks for the timely judgment
"The casualties were..."
!?
What's going on...
"The Black Chariot"
Has gone out of control!
...Doesn't he stay at home...?
He's supposed to
That's strange
Understood.
Get everyone to the castle.
I'll take it from here.
Rita.
Out of control...?!

"That's strange" you say...
Saying that so nonchalantly right now is...
Ah, Angel, please don't move around
The current Dante cannot distinguish between enemies and allies...
He targets anything that moves...
Ah
But...
There's something else...
Since Dante loathed Kian-sama...
Those wings of yours might be targeted
.....
If he can't distinguish between enemies and allies...
Aren't you also in danger...?

Angel
You really don't know anything huh?
Didn't you hear anything from Kian-sama?
...My father...
Since he died so suddenly...
He never really...
So that's how it is, huh?
Angel...
Why do you think that Dante and I were made the commanders of the knights?

Lante is...
Because of strength?
No, it can't be...
...That s..
First of all
Do you believe that one person can really kill 300 people?
It is not something that a sane human being could accomplish
Just imagining the smell of the blood of 300 people is enough to make you vomit...
Urgh.
But...
That number is not an exaggeration
Step
10 years ago...
At the Fin Field Border..

DANTE AND I ...
WERE SUPPOSED TO DIE...
According to Kian-sama's plan.
In a situation where that many soldiers came, would you normally send out two children and then retreat?
...!
Most likely.
The scenario that Kian-sama envisioned was something like this
"In order to protect my comrades..."
"Put the boy genius swordsman to stand outside of the gate to the fort."
But if you think about it rationally doesn't it make sense?
It can't be...
For 300 enemy forces?

"That way he can stop the enemies"
"In the face of 300 enemies he will regrettably be defeated"
"However because of his beautiful sacrifice his name will be spoken of as A Hero."
...When in reality they were just stalling for time
However, that plan was thrown off.
The child that was supposed to die, did not die.
And his name went well beyond being remembered as "A Hero," and instead became the name of "A Legend."
He became a threat to neighboring countries
But...

The price is as you can see
He loses his sanity hearing the cheers from the festival
And loses control at the smell of blood
Today is,
Just a bit more difficult...
Well he's mostly alright though
...My father
Utilized these kinds of tactics?
Yes
It can't be...
I believed that your policies were very similar to Kian-sama's
Because of this, even now, the knights are wary of the Oracle
However...

It's no good.
I can't avoid it.

Dante
It's me.
That day...

In the biting cold and freezing rain
Occasionally faltering as he trudged on
Perhaps
If they saw that scene, everyone would think so.
Yet even then desperately protecting something behind him.
That thing must be exceptionally special and worth treasuring.

DAMN IT!!
LET GO!
I'LL KILL YOU!!!!
He's so noisy
...You'd think he would've reached his limit by now
DAMN...
His hands...
They're like ice
What is it?
...
Another child?

LANTE !!
DON'T TOUCH HIM!!!
STOP YELLING ALREADY!
He's cold
Is he already dead?
No he's alive
But if it continues like this he'll probably die soon

If you travel 30 minutes this way you'll find our garrison
If he is left alone like this, he'll probably die
Should we bill the medicine to you?
If you go there is medicine and also food
We can save his life
How about it?
Shall we make a deal?

Reacting like that seems a bit much

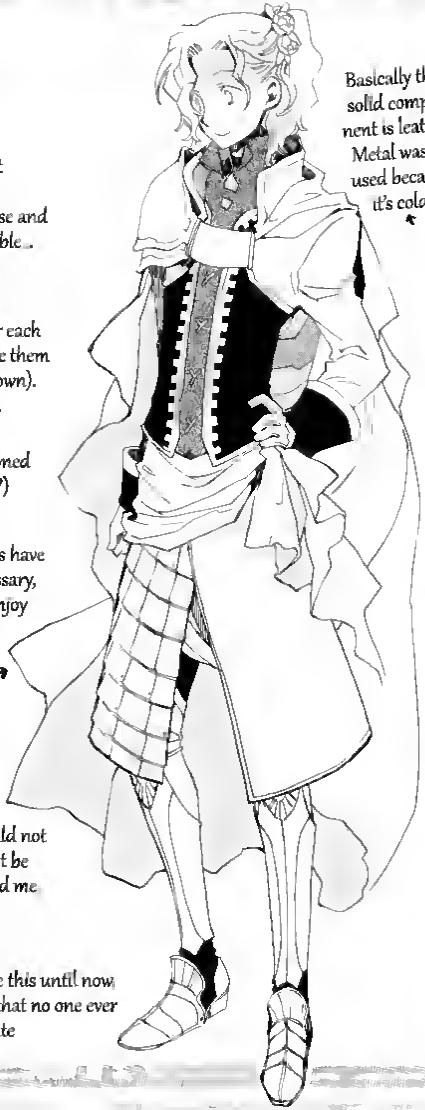
Lante



These are the clothes that I decided on.
Actually, I looked in a warehouse and chose ones that seemed suitable..
Aren't they fitting?

I put these flowers in my hair each morning (Sometimes I receive them from the girls in the castle town).
It's because I'm popular.

I'm known as the self-proclaimed "formerly beautiful boy" (?)

Anyways, although fighting does have its merits, it is not always necessary, so I mindlessly indulge and enjoy myself every day.

Truth be told, this mantle is really durable. It probably uses around 5 sheets of cloth. ;-)

These clothes are plain and "could not be distinguished, so they must be color-coded." As Rucetta advised me

Lante is white
Dante is black
And the habit has continued like this until now
"Although it's been so long now that no one ever mistakes us!" - Lante

Basically this solid component is leather Metal wasn't used because it's cold.
